BLE Wearable
People Locator**

DATA SHEET

Product Description	
<p>BLE WEARABLE LOCATE PEOPLE IN A BUILDING, EASILY ALERT THEM AND GIVE EASILY ACCESS TO DESIGNATED PASSES</p> <p>EASE OF USE</p> <p>To alarm, the client or employee presses the alarm button. This is easy to press, which makes it also user-friendly for users with a reduced pressure force. No alarm needed? Then order it without a button. With the transmitter there is no more hassle when washing hands. It is small which makes it easy to roll up the sleeves. In addition, it is completely waterproof, so it is not a problem if it gets wet. You wear the transmitter around your neck, wrist or attach it to your clothing with a clip.</p> <p>HIGHLIGHTS</p> <ul style="list-style-type: none"> Alarming Localization within wander detection wander prevention With or without button Easy to press button Long battery life Waterproof
